

Macfarlane Park's Annual International Multicultural Celebration is coming soon!

Friday, February 21, 2020 5:00-7:30 PM

Every year Macfarlane Park honors families and students from diverse cultural backgrounds to foster intercultural understanding and global awareness. Each classroom sponsors a different country. As you travel through each classroom during the event, you will experience student-created projects, presentations and food sampling from the sponsored countries.

Please let us know if you would be interested in volunteering for or contributing to any of the country displays below, or if you would like to set up a cultural booth of your own in the cafeteria representing your home country (not represented below).
